CPR + First Aid \$45

Students earn a basic CPR card and/or First Aid card after successful completion of this course. This card meets the usual requirements for certification in settings such as a daycare, school or foster care. People working in a medical setting such as a RN, PT, MD or OT normally require a health care provider card. We do not teach this but can offer referrals by calling 779-3997. There is also a county-wide First Aid Hotline at 792-6708.
